In G.O. No. 68, Revenue, dated 10th January 1935, the Government directed the suspension until fasli 1345 of—

(1) a portion of the land revenue due for fasli 1344 on lands held on ryotwari tenure the assessment on which had been resettled in accordance with the ordinary rules of settlement;

(2) a portion of the quit-rent due for fasli 1344 on enfranchised proprietary estates village service inams in proprietary estates; and

(3) a portion of the charge for the use of water both in ryotwari and in proprietary areas, provided the water was not irregularly taken

It was stated that the question whether the whole or any portion of the revenue suspended under the orders mentioned above should be collected in this fasli would be decided on receipt of the Collectors' reports on the condition of crops and the economic situation prescribed in Board's Standing Order No. 14 (8). The Government are now of the opinion after consideration of the question, that in the particular circumstances of the present case it is unnecessary to obtain the prescribed report from the Collectors, and they direct that the revenue of fasli 1344 suspended under the orders noted above be remitted altogether.
